

# THREE WAYS TO MARK... SAFER INTERNET DAY 2021

Tuesday 9<sup>th</sup> February is Safer Internet Day 2021.

We usually mark this day in school by completing activities based on Internet Safety.

This year is no different and we have some resources for you to explore with your family.

1. **Watch the Safer Internet Day Live Lesson** – with permission from your adults at home, watch the Safer Internet Day live lesson, which has been produced by the BBC. It begins at 11am and can be watched on CBBC. Full details [here](#) and an accompanying [worksheet](#).
2. **Extend your learning** – by using these activities: [Reception](#), [KS1](#), [Year 3 and Year 4](#), [Year 5 and Year 6](#).
3. **Purple Mash** – there are many resources available on Purple Mash, by clicking the Safer Internet Day button on the homepage. Complete the quiz or think of a way we can build #aninternetwetrust and record it on the magnifying glass.
