"Walking together in the Light of the Lord."

A Message from Mrs Yuen...

Dear Parents and Carers,

Lots has happened at St Gregory's this week. Our Year 6 pupils have been working hard, showing their very best work in their practice SATs papers: this has provided them with the opportunity to find out how SATs Week (w/b 9th May) will run. The children's effort has been admirable and we are very proud of them all. Thank you to all of the Year 6 parents who attended Wednesday's meeting too.

On Wednesday, photographs were taken of each class and some of our Pupil Leadership groups. Each child has received a card with order details on.

The PTFA have had several events running over the past week. Once again, the Winter Warm Up event last Friday was a big success. Thank you to the PTFA for their generous donation to CAFOD as part of our Lenten giving. The closing date for the Easter Colouring Competition was Wednesday 23rd March and the winners of this will be announced in assembly on Friday 1st April. Their Mothers' Day Gift Room was brilliantly organised and the children had a great time selecting gifts for their mum, nan or other special person in their life.

We have welcomed Miss Loveridge to our staff team this week. She will be primarily working with our Nursery pupils.

Thank you for your support. We hope you enjoy the beautiful weather this weekend and we look forward to the final week of the term.

**Best wishes,
Mrs Yuen**

Mothers' Day Gift Room

There was great anticipation on Thursday as our children were able to visit the Mothers' Day Gift Room, led by the PTFA.

A wonderful range of gifts was available for the children to choose from. It was great to see lots of thought from the children about which gift they would select.

Thank you to all of the parents who helped prepare for and run the gift room.

It was very special for the children who were all very appreciative.

Hail Mary, full of grace...

During Lent, a group of our pupils has made a commitment to praying the Rosary each Friday. The number grows each week and the children are now volunteering to lead each decade. A great Lenten promise – it seemed only right to share this on the Feast of the Annunciation!

Outdoor Area Redevelopment Update

The work in the Outdoor Area is going smoothly and is running to time – the team have suggested it may even be complete by the middle of next week!

Thank you to you all for your patience. We look forward to sharing photos once it is complete.

Science Week

Last week, we marked Science week with a set of activities which tested our investigative skills from Atomic Tom. Atomic Tom produced a series of videos with a challenge each day using everyday materials.

These ranged from investigating the health of our soil to making slime!

Across the school, we really enjoyed all of the different challenges we were set!
