Edition 3 – April 2022

“Walking Together in the Light of the Lord.”

A Message from St Gregory's School Leaders...

Hello to all of our Parents/Carers and pupils,

It has been another busy term at St Gregory's and we have enjoyed finding out what has been happening across the school. This week, we have welcomed baby chicks and watched them hatch from eggs, which was really exciting!

We hope you enjoy reading all of the exciting things we enjoyed last term and we hope you all had a lovely Easter.

Best wishes,

Nhyira, Raphaela, Amelia, Sophie, Lexi, Scarlett,
Chimela, Rita and Kamela

Year Six

Aspiration-Resilience-Awareness-Compassion

Twos Day

All the classes did a wonderful job in bringing in 2p, 20p and 2 pound coins. The results were really great, but here are the winners!

The highest value was £28.51 from Year 4 – St Faustina class and the longest line was 16.6m from Year 2 - St Andrew's class.

All the classes had very straight lines, so we had Ms White pick out of an envelope to choose the straightest line. The winner was revealed to be Year 1 - St Patrick's class.

Disco Time!

The PTFA held a disco for the whole school. We were all really excited when we first heard about it. It really brought joy and happiness to hear about this, especially as in the last two years we haven't been able to have as many events because of the lockdown. We all really enjoyed going to the disco and children said they enjoyed doing challenges with others. It was a wonderful time for the school and we hope that there will be some more later in the year.

Thank you to the PTFA for organising these great events for us.

Lent

On Tuesday 14th March, the four Catholic schools in Northampton came together to watch the Stations of the Cross at the Northampton Cathedral. Many pupils in our school have represented our school really well. All the children put effort in learning the songs and practising their reading. The people that were reading read in front of the many people in the Cathedral with lots of courage and spoke clearly and loudly.

World Book Day

On 3rd March, most of the school came dressed up in costumes from a book. Everyone was dressed up in something different and it was nice to see the different costumes and to guess them. It really got our minds thinking. Miss Jackson organised a masked reader challenge with the teachers as they disguised their voice and their face, which we all loved. In the afternoon, each class had to recite a poem and every class did an excellent job with recital as there were actions and they did it in time all together. Even Nursery and Reception did it to the whole school with a lot of confidence. We were really impressed.

Scott Polar Research Institute Workshop

The Year 6 classes had an online zoom meeting with Naomi from the Polar Institution in Cambridge. The classes were very thankful for the information that she gave us, as it is going to be really helpful to add to what we have already found out in our work. She told us important things like how they live and how they survive. Thank you to Miss Williams and Miss Sundaralingam for organising this exciting opportunity for us.

Ukraine Appeal

As you all know, there is a war going on in Ukraine so we kindly asked you to bring in some donations for the people there who are sadly suffering from this war. There are children in our school who have family in Ukraine who are living through this war, so we really wanted to help. Since there is a limited amount of supply, we collected items such as toiletries, baby things, books, tinned food and batteries. These were really appreciated when we dropped them off and we hope they helped.

We hope to raise money for Ukraine in the next two terms, so keep an eye out for future events.

Girls' Football Tournament

Before half term, some year five and year six girls were chosen to compete for Pacesetters football tournament which was on 25th March 2022. All of the girls had a lot of fun when they went to the football tournament, they all have been doing amazing in football. The teachers that came to the tournament were Miss Mayes and Mr Clarke. Our school came 2nd in the whole tournament! We were really proud of the football team.

Photo Galleries

Please check out our school website to see all the exciting things children across the school have been up to. The gallery is updated regularly and you can see photos of some of the things we write about in our newsletter here.
