The first complete week at school has been busy and it has been wonderful to see the children in the classroom, actively learning and engaging in their new topics. It has been lovely to meet parents and carers at the school gates in the morning, I hope to meet as many of you as possible, over tea and cake, at our MacMillan Coffee Morning on **Wednesday 25th September 9:00-10:00am**. Please support us by baking and donating cakes and join us on the day.

'Let's Play Strings'

There was much excitement in Year 4 on Thursday when the instruments for their 'Let's Play Strings' project arrived. Andrei was delighted with the news, exclaiming, 'I cannot wait to learn to play an instrument like the new Year 5s did last year!'

As part of their learning in Music, Curie and Edison classes will be learning to play either the violin or cello between now and the end of the Autumn Term; we look forward to inviting their parents to a performance later in the term - date to be confirmed.

Welcome to our new parents!

We would like to welcome parents of our children who have just completed their first week of Nursery or Foundation Stage. The children have settled in so well and are enjoying their learning. We can't wait to share all their special moments on Tapestry, which we will send a letter about next week.

Sports Competitions and Tournaments

We have an exciting term ahead, please ensure you've returned any Parental Consent Forms as soon as possible. The sports permission form covers your child to go offsite to any competition that they are invited to, until we break up for Christmas. Invites will be given as a separate letter as and when the competitions occur. If the Parental Consent Form is not returned your child cannot attend these events.

Phonics Workshop

A letter has been sent out to Foundation Stage and Key Stage One pupils regarding our phonics workshop on Wednesday. We would love to see as many of you as possible so that we can support you with helping your child to read and write at home.
