

## Year 6 home remote learning plan

### Key Stage 2: Years 3-6:

Daily	Twice Weekly	Once Weekly
<ul style="list-style-type: none"><li>• Maths Learning</li><li>• English Learning</li></ul>	<ul style="list-style-type: none"><li>• Topic Learning</li><li>• RE Learning</li><li>• Spelling</li><li>• Handwriting</li></ul>	<ul style="list-style-type: none"><li>• Science</li><li>• Art/ DT</li><li>• Topic Learning</li><li>• Menu of additional offline activities based on current Theme</li></ul>

- Children will use the various instructional videos and resources by Oak Academy and White Rose Maths to absorb the teaching and complete the learning as appropriate.
- Teachers will seek to provide differentiated worksheets and activities. As with usual routines in school, there will be flexibility in the delivery of these worksheets, for example, if a child does really well and wants a challenge, they could try 'the next sheet'. Teachers will be aware that many parents will not have capacity to print. As such, teachers will consider how learning can be presented simply and effectively.
- Children will receive a 'closure' book to record work in during Isolation periods.
- Completed work should be photographed and uploaded to Purple Mash by parents. Teachers can then review the work completed and ensure that the following day's lesson addresses misconceptions etc. Feedback and queries can take place throughout the day using Purple Mash.
