7th November 2019

Dear Parents/Carers

Before the half term break, letters were sent home about maths booster sessions for Year 6 children. These sessions run every day between 8.30 and 8.55am in school and are designed to support the children in their maths skills. These temporary booster sessions are very important, as they allow the children to practise skills and ask for support in areas they are not confident in. This is especially important as they approach their SATs.

The sessions are run by the Year 6 team, and are available to all pupils. Therefore, we are going to open the sessions to all Year 6 pupils and request that they attend, with your support.

If you do not wish your child to attend these study sessions, please complete the form below and return it to school by 8th November.

Yours sincerely

Ms Carroll
Deputy Headteacher

.....
Maths Booster Sessions

I would like to withdraw my child in class
..... from the year 6 Math's Booster Session.
