Dear Parents/Carers

Further to previous polite requests in newsletters and letters, I feel it is necessary to write to you again about inconsiderate parking, which includes blocking driveways and dangerous parking.

It is imperative that when parents visit our school either to drop off or pick up their children that they do so with due care and attention and do not put others at risk. Please also give consideration to our local community and park safely and in appropriate areas. Please do not block resident's driveways 'even for a minute'. Scaffell Rise and the garage area behind the houses opposite to the school gates are for **residents parking only**.

If necessary park a small distance away from school and walk into the school grounds to collect your child/children. It is important to our school that positive relations with our local community remain in place and do not diminish due to inconsiderate, dangerous parking by our parents.

Please respect residents request to refrain from parking in front of their driveways or parking spaces.

'Do unto others as you would them do to you'

Thank you for your co-operation and to those parents who do park considerately.

Yours sincerely

Mrs K Yuen
Executive Headteacher
