

Lent Term

Weekly Newsletter - Week ending 13<sup>th</sup> March

## St Gregory's Catholic Primary School

Grange Road, Northampton NN3 2AX T: 01604 403511/409582

[School Website: stgregoryscatholicprimaryschool.org.uk](http://stgregoryscatholicprimaryschool.org.uk)

Dear Parents,

Thank you to everyone who helped make our Lent Focus Day on Wednesday such a success. The children have shone with our Lenten 'Love Out Loud' message. All money raised will be shared between CAFOD, Mission Together and in support of the work of Fr Jerry, helping Ghanaian children suffering with cancer. Our children are really living out their mission to serve others and are, 'Walking Together in the Light of the Lord.'

Please note, as per the Coronavirus Update letter sent today, the Parents' Evenings scheduled for next week will be postponed. I thank you again for your calm and sensible approach in dealing with the measures we have put in place to minimise risk. Please be assured of our attention to this.

Have a wonderful weekend.

Mrs K. Yuen

Executive Headteacher

### Lenten Focus Day

We have been working really hard to show our Love Out Loud Lenten commitment in everything we do in school. This week, we have focused on almsgiving and prayer. Our children have completed a Sponsored Walk – please ensure forms (even if there are no donations) and the accompanying money are sent into school as soon as possible please; Fr Jerry visited our school to lead the pupils and staff in Adoration and the Ethos Team created a wonderful coin heart on the playground with the coins you generously donated. We were pleased to welcome Jay from NYMO to share Bible stories with our children too. Thank you for all your support with our Lenten mission.

### Space WOW Day

To further their understanding and interest in their topic: An Adventure in Time and Space, Year 5 participated in a variety of activities during their WOW Day on Thursday, creating their own musical compositions, making their space shuttle models and learning about Curiosity, the Mars Rover.

### Upcoming Events

**Please be aware that we will continue to take advice from Public Health and Government directives. These events may need to be postponed.**
