## **Collective Worship Policy**

***'Sing a new song unto the Lord; proclaim His help day by day.'***

*Psalm 95:1-2*

### **Philosophy**

In St Gregory's, the daily act of worship is more than a legal obligation. As a Christian community, the daily acknowledgement of the one true God, who is Father, Son and Holy Spirit, is a priority. It is concerned with giving glory, honour, praise and thanks to God. It is our loving response, in word and action, to God's invitation to enter into relationship, made possible through the work of Jesus Christ and the witness of the Holy Spirit.

This acknowledgement is made through prayer, reflection and liturgical celebration, all of which are central to Catholic tradition and therefore integral to the life of the school.

Collective worship considers the religious and educational needs of all who share in it:

- Those who form part of the worshipping community in church;
- Those for whom school may be their first and only experience of church;
- Those from other Christian traditions – or none;
- Those from other faith backgrounds.

### **The Aims of Collective Worship**

We believe that Collective Worship in our school aims to provide opportunity for all pupils and staff:

- to contemplate something of the mystery of God;
- to reflect on spiritual and moral issues;
- to explore their own beliefs;
- to respond to and celebrate life;
- to experience a sense of belonging and develop community spirit;
- to develop a common ethos and shared values;
- to enrich religious experience;
- to grow in liturgical understanding and development;
- to reinforce prayers which are part of the Catholic tradition;
- to reinforce positive attitudes;
- to participate fully;
- to take time out 'to wonder at', 'to come to terms with' and 'to give worth to.'

## **Principles**

All Acts of Worship in this school will:

- give glory and honour to God.
- be a quality activity, fundamental to the life of the school and its Catholic character.
- develop in pupils skills that enable them to prepare, organise and lead worship rather than always participating or contributing in a token way.
- give pupils positive liturgical experiences, appropriate to their age, aptitude and family backgrounds in order to prepare them for the liturgical life of the Church.

## **Collective Worship at St Gregory's will be:**

- Properly planned;
- Adequately resourced;
- Recorded;
- Monitored;
- Evaluated.

## **Organisation**

In this school, prayer is understood as communicating with God and opportunities are provided for, both individually and collectively, formal and informal prayer.

**Formal Prayers** are taught throughout the school and progress in complexity of language and conceptual understanding. All children are encouraged to learn, unprompted, the prayers which are considered suitable for their age.

**Informal Prayer**, both silent and spontaneous is encouraged throughout the school. Opportunities are given during most prayer sessions for an individual response, privately or publicly and all respect this practice.

**Individual Prayer** is encouraged through the provision of a spiritual focus in each classroom and the Emmaus Room. This is available to staff and children, during break and lunchtimes and allows for private or shared reflection.

**Collective Prayer** encompasses both formal and informal praying and usually included sung prayer in the form of a hymn or psalm appropriate to the liturgical year.

Practice is on a daily basis in several ways:

- Daily class prayers at the beginning and end of each day. Children are often encouraged to offer their prayers out loud or are given time for silent reflection.
- Thanksgiving is said before lunch each day.
- KS2 say the Angelus daily.

- During assemblies and at the end of the school day, children are encouraged to examine their conscience and say sorry for things they have done wrong. – Our end of the day prayer is actually all about thanks!
- Weekly Key Stage assemblies. Class teachers plan stimulating and inspirational reflections and/or activities often based on the month's Gospel Value focus or liturgical calendar.
- On Monday mornings, a whole school assembly, usually based on the week's Gospel, is led by a member of the SLT. This assembly is attended by all the staff and visitors present in the school.
- Each class has a weekly class assembly, which is led by the class teacher. Non-teaching staff, students and visitors are included in the worship.
- Children are encouraged to pray for the dead in the month of November.
- The children are encouraged to say the Rosary during October and May and weekly, in the season of Lent, children in KS2 go to Church to follow the Stations of the Cross.
- During Advent and Lent, the children in KS2 follow 'Walk With Me' and younger members of the school use the children's calendar for these periods in class. – Not sure what this is!
- All Meetings begin with prayer.

### **Liturgical Celebration**

**The Eucharist celebration** is the prime acknowledgement by the school of its membership of the Church and is therefore its central worship. It is essential that the children are included in the celebration in a meaningful way and begin to develop an understanding of the Mass.

- Readings are taken home to practice and many parents attend the Mass. A copy of the Mass readings and music is given to the celebrant a few days before the service.
- Non-Catholic children in Years 5 & 6 are encouraged to receive a Blessing.
- The Mass dates and times are included in the Church Bulletin and school letters so all parents and parishioners are invited to attend.

### **Responsibilities**

- A member of SLT leads the whole school assemblies on a Monday.
- Each class teacher leads their own class assembly and prayers.
- Key Stage assemblies are led by Class Teachers as per the Assembly Rota.

### **Resources**

- A variety of resource books on assemblies, prayer, meditations and feast days are kept in the Staffroom.
- Resources for meditative activities linked to the Liturgical Year are kept in the R.E area of the resource cupboard.

- Bibles are in every classroom and additional Bibles, including those for young children, can be found in the library. *Walking Together in the Light of the Lord*

### **Policy Monitoring and Review**

This policy is monitored by the Headteacher and RE Subject Lead. It is evaluated and reviewed by the whole school staff and governors every two years. The Foundation Governors, in particular, will play a most important role.
