<p>What are sound acoustics?</p> <p>Today you are going to become investigators. I have received an important email from a very well-known band. They need to sound proof their studio so their music cannot be heard from outside.</p> <p>You need to investigate different materials to find out which material absorbs sound from travelling through and therefore would make the noise the quietest outside the studio!</p> <p>To do this you can find an empty toilet roll or kitchen roll. Securely wrap one end with different material and leave one end open to talk through. Which material makes the sound the quietest?</p>	<p>Choose another activity of your choice on chimp to attempt! Remember this requires some perseverance!</p>	<p>What is the reason for the seasons?</p> <p>When we look at the reason for all the 4 different seasons, we see lots of key vocabulary that can be quite tricky! If there are any words in this video that you are unsure of I want you to use either a dictionary or the internet to find the meaning of the words.</p> <p>Your task:</p> <p>I would like you to create an informative poster on a piece of paper explaining the reason for the seasons:</p> <p>What are the seasons? What positions of the earth cause each season? What would it look like? What would you see in each season?</p> <p>You can lay this poster out in any way you would like! Make sure it is informative yet eye-catching!</p>	<p>the storyboard activity showing different ways that we can give and receive love and explain how this relates to God's love for us. Upload this to Purple Mash once complete.</p> <p>This is the link to your reflection music – 'I Don't Have Much' by Corey Voss, Sarah Kroger and REVERE. Example template for your storyboard:</p> <table border="1" data-bbox="1391 810 1760 959"> <tr> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> </table> <p>You should draw your pictures in the top boxes and write your explanation underneath.</p> <p style="text-align: center;">PE:</p> <p>https://www.youtube.com/watch?v=ECCrKKGKYH0&list=PLtJXdJsx-GqqEsAGZCw0M9lcXsh6JASDn&index=17 Join in with another virtual HITT session with Rob! Let's get those</p>													<p>while to master as it is quite tricky!</p> <p>For this week's lesson we are carry on with self-portraits but were are going to be looking from two different perspectives: how people see you on the outside and how you want to be seen on the inside.</p> <div data-bbox="1800 576 2040 791" data-label="Image"> </div> <p>The 'inside' might be how you are feeling, your interest and hobbies but you will design it well so that is still resembles a face!</p> <p>Using the examples and template set as a 2Do on Purple Mash, complete your inner and outer self-portrait</p>
