## St Gregory's Home Learning

### Learning Project WEEK 10

#### Famous and Significant People

Age Range: Year 3 and Year 4

##### Weekly Maths Tasks (aim to do 1 per day)

- Watch this [addition video](#) and this [subtraction video](#), which revise the column method. Generate calculations to practise at home.
- Challenge your child to use the [Subtraction Grids](#) to see how many calculations they can solve correctly in 2 minutes. Or try this [calculation game](#).
- Ask your child to think about these questions: What calculations can you create using the numbers **127, 111, 200, 28** and **65**? Will you use subtraction, addition or both? Can you find the inverse to the calculations you write?
- Are these number sentences true or false?  
 **$597 + 7 = 614$ ,  $804 - 70 = 744$ ,  $768 + 140 = 908$ ,  $907 - 669 = 238$ ,  $872 - 109 = 108$** . Give reasons.
- Encourage your child to revise using all four operations by playing [this game](#). They make a target number using the different operations.

##### Weekly Reading Tasks (aim to do 1 per day)

- Task your child with reading something unusual in an unusual place e.g. a cookbook in the bath. How many unusual places can your child read in this week?
- Visit [Ducksters](#) and encourage your child to choose a person to read about. Ask them to create a fact file on their chosen person using facts learnt.
- Ask your child to read a magazine or newspaper article about a famous person. Ask them to write a diary entry from the viewpoint of that person.
- Read through [this book](#) about famous artists together. Encourage your child to choose one of the artists and create their own inspired painting.
- With your child, take a look at [this information](#) all about Neil Armstrong, the first man to walk on the moon. Complete the quiz and test your knowledge!

##### Weekly Spelling Tasks (aim to do 1 per day)

- Your child can choose a person that is significant to them and mindmap all of the words that they associate with this individual e.g. inspirational, heroic, intelligent, courageous.
- Practise spelling these words: **information, adoration, sensation, preparation, admiration**. Your child can list other words ending in 'tion'.
- Your child can practise their year group spelling on [Spelling Frame](#). Can they write mnemonics for 5 words e.g Rhythm Helps Your Two Hips Move
- Choose 5 [Common Exception words](#) and create a word search containing these spelling words. Who can find the words?
- A-Z fun. Ask your child to list a famous or significant person that begins with each letter of the alphabet.

##### Weekly Writing Tasks (aim to do 1 per day)

- Visit the Literacy Shed for this wonderful resource on [The Clocktower](#).
- Tell your child to imagine that they are famous. What would they be famous for? Can they write a diary entry recounting the day's events in role?
- Ask your child to find out when the NHS began. [Who was the founder?](#) Encourage them to compare the NHS then and now. Can they represent information on a timeline or in an information booklet?
- All famous people should earn £1,000,000 per year. Does your child agree/disagree? Ask them to have and write a discussion on this statement.
- Ask your child to use the words FAMOUS PEOPLE to write an acrostic poem about significant people in history.

## Learning Project – to be completed throughout the week

The project this week aims to provide opportunities for your child to learn more about famous or significant people. Learning may focus on past or present inventors, explorers or scientists and how they influence society today.

**Famous Fact Find** - Find out about one or more Famous British People [here](#). Ask your child to decide how they would like to present the information they have discovered. This could be a slide show, a poster or an information report about them. Can your child create a true or false quiz about their chosen person and test it out on the family during a games night?

**Healthcare Heroes** - As the NHS plays such a significant role in our lives, ask your child to represent our amazing NHS staff with their own piece of artwork. This could be a painting, collage or even a [collectable stamp](#) of a famous medic e.g Florence Nightingale, Mary Seacole or Aneurin Bevan.

**Sport Superstar** - [Watch an interview](#) with Rod Ellingworth, a famous, British cyclist. Then go for your own bike ride as part of your daily exercise. Don't forget to wear your helmet. No bike? Then take a walk and look out for any cyclists you see. Recommendation at least 2 hours of exercise a week.

**Family Matters** - As a family, discuss the famous people that may have had an impact on their lives and the choices they have made about the jobs they have chosen. Talk about who has inspired them and why. Your child can create a family tree that illustrates inspirations and choices.

**Religious Role Models** - Ask your child to find out about significant religious people, like Jesus, Moses, Muhammed (pbuh), Guru Nanak or someone else who is important to your family. What do they notice about these people? What is similar about them? What is different? [Help!](#) Record the similarities and differences in a table format or make a Religious Role Model mini-book.

## Additional resources you may wish to engage with:

- [BBC Bitesize](#) - Lots of videos and learning opportunities for all subjects.
- [Times Table Rockstars](#) and [Numbots](#). Your child can access both of these programmes with their school logins. On Times Table Rockstars, children should aim to play Soundcheck for 20 minutes daily.
- IXL online. Click here for [Year 3](#) or here for [Year 4](#). There are interactive games to play and guides for parents.
- Pacesetter Sports and Wellbeing. Our Sports provider, [Pacesetter@Home](#), gives three activities each weekday for the children to participate in. Each activity is approximately 15 minutes long. It's a great way to get the 2 hours of recommended exercise each week in.

**We would love to see examples of the children's work.**
