Dear Parents,

## Parent Consultations November 2020

The children are now settled into the school routines and we have been working closely with each child to support their learning and identify gaps. The staff are all pleased with how our pupils have returned ready to learn and are trying hard to be the best they can be. Before half term you will receive your child's individual targets which supports their next steps, in the usual parents evening report form.

Due to the extra restrictions placed on us all, we cannot invite you in for a face to face appointment with your child's teacher. However we will be hosting our consultation evening with you via phone conversations. These will take place between 3.30- 6pm on the dates below. If you would like to have a phone conversation with your child's class teacher then please call the school office on 01604 403511 to book a slot.
