LUNCH					
Religious Education and Non-Core Subjects	Science: https://classroom.thenational.academy/lessons/how-can-you-make-a-string-telephone-68t6at How can you make a string telephone? In today's lesson, you are going to become a scientist and conduct your own experiment! To do this, you will need: <ul style="list-style-type: none"> - 2 plastic or paper cups (or two) 	Computing: On Purple Mash under 2code-Chimp: Complete the 'Haunted scene' activity (Set as 2Do). Choose another activity of your choice on chimp to attempt! Remember this requires some perseverance!	Geography: https://classroom.thenational.academy/lessons/why-is-the-worlds-weather-changing-c9k34t Why is the world's weather changing? Watch the lesson video above. Today, you are learning about some of the different factors that are impacting the world's weather and contributing	RE: In this week's RE lesson, we are learning about the Introductory Rite and the Penitential Act in the Mass. We will look at each of the different stages and why they are important, linking our ideas to our beliefs. Read through the PowerPoint set as a 2Do and then complete your two tasks:	ART/DT For the past few weeks we have been looking at drawing correct face proportions. We have thought carefully about the size and placement of these facial features to be able to look at a portrait that is 'proportionate'. Today you are going to draw another self-portrait using your knowledge of

	<p>sheets of paper rolled up)</p> <ul style="list-style-type: none">- String- Scissors <p>Watch the lesson video above and use your equipment to follow along with the teacher to make your own string telephone! You may want to make a note of each of your steps as you go along.</p> <p>You are now going to write up your experiment so that one of your friends would be able to replicate it exactly.</p> <p>First, write a list of all of the equipment you used. Then, write up your method in a clear, step-by-step list of what you did.</p> <p>Once you have done this, write a summary of what you thought of your experiment. What did you enjoy? What would</p>	<p><u>Music:</u></p> <p>Log in to Charanga YUMU and follow the step by step instructions for lesson 4 on our STOP! Topic! Make sure you click on all the question bubbles.</p> <p>This week, complete step 4. Each week we will complete another step.</p>	<p>to climate change. As you watch, I would like you to complete the mini tasks on a piece of paper. You are given some sentence starters, but it would be great if you could use some of your own!</p> <p>Once you have finished the video, complete the final task of writing a paragraph about what you have learned. Make sure you include all of the key words, as well as the definitions if there are some you are unsure of.</p> <p>Bonus Task! If you complete this lesson and have some spare time, I would love for you to create an information sheet all about either the Pleistocene Era or the Mesozoic Era! Choose one of these eras to research and write about. You can choose how you do this – it could be a poster, fact</p>	<p>Task 1: Create a storyboard showing each of the steps in the Introductory Rite and the Penitential Act. Draw a picture for each stage and explain underneath why it is important. On each slide, the key information is underlined so you can use this to help you! You will need 6 boxes on your storyboard.</p> <p>Task 2: Reflect on the questions before you pray with the words of the Confiteor. Then have a go at writing your own Penitential Act saying sorry to Jesus, remembering that he is always ready to forgive and help us when we ask.</p> <p><i>Upload your finished work to Purple Mash for us to see! Make sure you also keep your storyboard as we will continue this next week when we learn about the next stages of the Mass.</i></p>	<p>proportions using the template set as a 2Do on Purple Mash. This template looks at the face</p>  <p>from a side on angle which almost makes it look 3-D!</p> <p>Thinking about the eyes in the centre of the face, leaving room for a correct sized forehead, nose in the centre of the face, cheekbones... Create your own 3-D self-portrait.</p> <p>Next week we will look at how we can decorate your portrait looking at another famous artist.</p>
