

### Policy on Nuts

The catering department does **not** knowingly purchase, store or use nuts or products containing nuts or nut trace. This applies to meals, constituents of a meal, sandwiches and snacks served. However, Coombs Catering are unable to totally guarantee that items produced in our kitchens and / or offered for consumption are free from nuts or nut products.

Catering staff receive regular training in respect of food allergies. Food preparation staff take precautions to reduce the risk of cross contamination. Our recipes are analysed, and allergens contained therein are highlighted and recorded.
