## ***A Message from Mrs Yuen...***

Dear Parents and Carers,

It was wonderful to see such a busy school at the end of the day on Wednesday for our Book Look. The children love the opportunity to share their work with their families and we do hope you found it insightful to see what your child has achieved so far this academic year. If you were unable to attend, please don't worry, the dates will soon be released for Parents' Evening which will be at the beginning of March. There you will be able to see some of your child's books and discuss with your child's class teacher their progress this academic year.

We said farewell to Mrs Boshell today, who has given over 14 years of service to our school community. We thank her for everything she has given to help the learning of many children in our nursery, allowing them to flourish in the initial stages of their education and foundations for the future. We wish her the very best as she begins a new chapter and know she will continue to be a part of our wider school community.

We hope you have a wonderful weekend.

**Best wishes,  
Mrs Yuen**

## Coffee and Chat Event

We welcome all of our parents to come and enjoy a cup of tea or coffee and a chat with Mrs Yuen and Mrs Darwin this Wednesday, 9<sup>th</sup> February, in the Emmaus Room from 2.45pm.

Please park off-site and enter the school via the School Office.

## Parking

It has come to our attention that parking on site for members of our school community with Blue Badges has become more difficult of late.

Please could all members of our community be reminded that they should not park in the disabled bays at the front of the school unless you have a Blue Badge displayed.

We are working with contractors to ensure that they also abide by these rules too!

## Fishers of Men!

Our Nursery children represented St Gregory's in the Our Lady Immaculate Prayer Chain today. The Prayer Chain happens on the first Friday of every month and everyone in the OLICAT community is invited to take part.

The Nursery class began the hour in prayer, then learned a song about being 'Fishers of Men' and created beautiful fish for their new classroom display. Thank you to Victoria, one of our Nursery pupils, who was very industrious, working to write all of the signs the children wanted to add to the display.

It was a great team effort! Thank you everyone involved!
