## ***A Message from Miss Marum...***

Dear Parents and Carers,

We were really pleased to share the result of our recent [OFSTED report](#) with our school community this week. This is a wonderful accolade for the school and we again say thank you and 'well done' to our pupils, their families, our staff and the wider community.

On Tuesday we celebrated the feast of All Saints in our assemblies and class worship time and on Wednesday we participated in a liturgy to mark All Souls. As part of the liturgy, our Worship Leaders brought the names of family members and friends who their class would like to remember during this month of remembrance.

Today was school photograph day and your child will have brought a card home with them which acts as the order form. Please remember to place your orders before the deadline.

Thank you for supporting the Link to Hope initiative – the shoeboxes were delivered today - and also the PTFA's Winter Warmer event earlier.

Have a wonderful weekend.

**Best wishes,**

## Pacesetter Games

Year 1 pupils had a brilliant time at the UniHoc Pacesetter Games and were complimented by another local school on their enthusiasm, happiness and sheer joy! They showed excellent sportsmanship by shaking their opponents' hands at the end of each match! Well done!

## Link to Hope

We are really pleased that we have been able to send 14 shoeboxes as part of the Link to Hope initiative.

Thank you to all families who have sent in donations and entire boxes. We hope you enjoyed making them at home – the GIFT team really enjoyed organising the donations into the boxes we had in school!

## Through the Ages

St Bernadette Class have been investigating how people living in the Neolithic period ensured their houses were structurally sound and weatherproof as part of their DT lessons and their History project: 'Through the Ages.'

Their lesson this week was an opportunity to hunt for and gather their materials and begin to explore joining and building techniques used in that time period. They will be focusing on the wattle and daub technique – we look forward to sharing their outcomes!
