## ***A Message from Miss Marum...***

Dear Parents and Carers,

Thank you, once again, to all families who interacted with the CSI Inspectors over the past few days either via the Parent Survey or by speaking to them on the school playground. The children have been a credit to St Gregory's and we look forward to sharing the result of the inspection with you once the report is published.

We have had another busy week. Year 5 and Year 6 pupils competing in the Pacesetter Games on Monday, where their excellent teamwork and resilience gained them 6<sup>th</sup> and 7<sup>th</sup> place in a tough competition. Children in Year 2 and Year 3, as well as the GIFT Team and Eco-Warriors have been working with our chaplain, Mrs Alves, on a variety of different ventures. We welcomed Atomic Tom to school on Friday where he encouraged the classes he met with to explore rainbows, geology and electricity!

Next week is half term and we look forward to welcoming the children back to school on **Monday 20<sup>th</sup> February**.

We hope you all have a wonderful half term!

**Best wishes,**

**Miss Marum**

## Amazing Ammonites!

Year 3 have been studying nature and natural forms (including ammonites and the Fibonacci sequence!) as a focus for creating artwork. The children designed their own motifs and then used them for two colour printing.
