Advent Term 2020 Newsletter 3

"Walking together in the Light of Lord."

A Message from Mrs Yuen...

Dear Parents and Carers,

The sun is shining and the children have made full use of our grounds. Lots of our clubs have restarted and it is great to see our school full of activity once again. This week we held Pupil elections for our Head Boy and Girl. The Year 6 children participated in an election by casting their vote.

We recognise that this is an important year for year 6 and applications for secondary school close soon. Mr McLaughlin from Thomas Becket Catholic School will be delighted to show you around.

Class teachers are introducing their children to the topics and you'll soon receive the curriculum documents so you can share in their learning. Over the next few weeks we will be carrying out pupil assessments to establish baselines; results from these will be shared with you.

I hope the weather continues to be glorious over the weekend.

Warmest Regards,

Mrs Yuen

Our Pupil Leadership Team

Congratulations to our Pupil Leadership Team!
Following very exciting elections, Year 6 have voted for their Head Boy, Head Girl and their Deputies. Well done to everyone involved, there were some really strong applications!

Friday 18 December 2020

Spring Term

Term Starts:

Tuesday 5th January 2021

Half Term:

Monday 15 - 19 February 2021

Term Ends:

Thursday 1 April 2021

Summer Term

Term Starts:

Monday 19 April 2021

Half Term:

31 May - 4 June 2021

Term Ends:

Friday 16th July 2021

Adventure Playground

Mr Clarke has been busy again this week – have a look at our amazing pirate ship! The children love their playground.

Covid Symptoms

The main symptoms of coronavirus (COVID-19) are:

-a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)

-a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)

-a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.

It can be confusing trying to decide what is just a normal cold and what might possibly be something needing further attention – we hope this NHS information is clear.

Data Collection Sheets

Thank you to all who have returned their children's data sheets – if you haven't managed to do so yet, please hand your completed sheet to the class teacher as soon as possible.

Thank you!
