Lent Term 2021 Newsletter - March 26th

"Walking together in the Light of the Lord."

A Message from Mrs Yuen...

Dear Parents and Carers,

We have come to the end of another incredible term. The children have been remarkable in adapting so well to coming back to school. Despite only a few weeks back together fully, as a school community, we have had many highlights. Science week and our Atomic Tom workshops brought great excitement and inspired our budding scientists!

The Northampton Catholic Schools Lenten Reflection was an example of our collaboration within the community of schools and a time for us to join together in prayer.

Thank you to the PTFA for their Easter Competition and congratulations to the many winners. There were so many wonderful entries, it was very hard for the PTFA to choose.

Wishing you a Happy and Holy Easter and may the joy of the risen Lord fill your homes

***Best Wishes
Mrs Yuen***

Lenten Almsgiving

Thank you for your support with all our Lenten activities; there have been many generous donations. Our children today, have created a "Penny Mile" in the corridor of the school. There are many coins to donate to CAFOD. Our Year 2 children took part in the Lenten Reflection, created by the Catholic Schools of Northampton.

Thank you to James and Olive from Year 5 who read so beautifully. Please view this on YouTube

Multiple Marathon

Our Year 4 children have been taking part in the Multiples Marathon, led by Mrs Claris, with the aim to improve the speed and fluency of their times tables knowledge. The children gained badges at each colour challenge. Here are our first Yellow Badge Winners. Well Done!

Art Master class

Mrs Yuen has tasked some of our budding artists to take part in a painting project following her successful landmarks competition earlier this year. Mrs Brown (our own school artist) and the children involved have worked incredibly hard and we are delighted with the results. Which we will share with you soon.
