“Walking together in the Light of the Lord.”

A Message from Mrs Yuen...

Dear Parents,

As the Government outlines the next step in the roadmap out of lockdown, we are looking closely at the impact for schools. Currently there are no changes to our procedures. We still request that parents/carers adhere to wearing face coverings when collecting at the end of the day, and to maintain social distancing at all times.

At half term we will be adjusting timings of our staggered pickups and drop-offs to shorten this process, but at the moment we are staying with the same timetable. I thank you for your patience and cooperation with this.

Our Year 4 children continue to enjoy their music lessons on the clarinet and the music project is coming along really well! This week I have been really delighted to share many Head Teacher Awards for outstanding learning and achievements. Well done!

Have a wonderful weekend!

Best Wishes,

Mrs Yuen

Reception

In Reception this week, the children have been learning about the properties of 2D shapes. We have been searching for shapes in the environment, using peg boards to create our own shapes and using the large shapes in the construction area to create some fantastic buildings!

A Year 6 pupil said it was 'so relaxing, watching the colours blend – each Skittle represented a person or a cause you wanted to pray for, it was really good and we all enjoyed it very much!'
