"Walking together in the Light of the Lord."

A Message from Mrs Yuen...

Dear Parents,

It has been an exciting week. We have spent time exploring different countries and their traditions. Our journey around the world, has included dance workshops. The children embraced this with great enthusiasm as they all learned different dance genres, including the Russian Kalinka, the Indian Jai Ho and the New Zealand Haka. The children found out how different cultures across the world have developed their own style of dance.

I am busy at the moment, reading through the end of year pupil reports. It has been most enjoyable seeing how much the children have achieved, despite the interruption from the national lockdowns. The end of year reports will be sent to parents on Friday 9th July.

We still have so much happening over the last few weeks including our in-house sports day and end of year visit to Hamerton Zoo. Please keep a look out on our website for dates and events as we continually update this.

Have a wonderful weekend.

Best Wishes,

Mrs Yuen

Cultural Day Across the School

The children in Year 6 learned about the cultural traditions of France and sampled some French foods. They shared a buffet of baguettes, cheese, salad and cold meats and learned the French names for them.

One school, many cultures.

In our Nursery class, the cultures of all our children and their families were celebrated. Foods from around the world were sampled. Some children dressed in traditional outfits, and they explored where countries were on the globe.

The Big Bee Challenge

is Radio 2's new competition, in partnership with the Royal Horticultural Society. It's a fun & creative way to learn more about bees and other insects that are essential for a healthy environment. If you are between the ages of 6 & 12, we want you to draw a bright, buzzy garden that will attract bees and other pollinating insects. Entries close 6pm on Monday 5 July. Dances from Around the World

This week we welcomed "West End in Schools" into our school, with their 'Dance Around the World' workshop, the children danced their way across the continents. They were inspired by the international dances and understood how different cultures across the world have developed their own style of dance.
