"Walking together in the Light of the Lord."

A Message from Mrs Yuen...

Dear Parents,

The sun is shining, and the school grounds are looking lovely. With only two weeks left of the school year, we remain focused on children making good progress in their learning and working hard to achieve their very best. I am enjoying reading through pupil reports at the moment and look forward to sharing these with you next week.

Next week we are also looking forward to our sports day events. The children will be gaining house points, for a chance to win the coveted House trophy. Good luck to everyone. The rehearsals and filming of the year 6 play, "The X Factory", are going well. The prop makers have done a sterling job. Thank you for all your support with costumes. The script is very funny, and hearing the laughter as they rehearse is such a joy. Memories are certainly being made.

Have a wonderful weekend.

Best Wishes,

Mrs Yuen

"The Boy who grew Dragons" – Year 3 Book Club

We have been reading this book over the past few weeks and we have now finished it. The children have really enjoyed reading the book independently and as a group and we have been discussing the story when we meet each week. Here's what some of them had to say: Alfie: "I enjoyed the main character and how he had to keep a secret about owning a baby dragon!" Jenelle: "I liked this fictional book as there is always a new adventure to explore. It was very funny."

Quinton: "It was a really good book and I liked all the mishaps!"

Nona: "This book convinces you not to get a dragon of your own! A very cool book."

Francis: "There are adventures that kept on happening in each chapter."

First Holy Communicants

We would like to congratulate all our year 3 children who have recently made their First Holy Communion – Aron, Brianna and Igor, and those that will be doing so over the next couple of weeks – Leison, Amani and Benjamin We are delighted for them as they continue their Journey in Faith.

The Big Bee Challenge is Radio 2's new competition, in partnership with the Royal Horticultural Society. It's a fun & creative way to learn more about bees and other insects that are essential for a healthy environment. If you are between the ages of 6 & 12, we want you to draw a bright, buzzy garden that will attract bees and other pollinating insects. Entries close 6pm on Monday 5 July. Pacesetters Sports

Year 1 won the football final today! It was a very convincing win with 14 goals scored by St Gregory's and none conceded. Mr Williams said they represented the school tremendously well – their sportsmanship and team work was truly admirable and he was very proud of them. Very well done Year 1.
