***“Walking together in the Light of the Lord.”***

## ***A Message from Miss Marum...***

Dear Parents and Carers,

There's been lots of excitement today as pupils have learned who their teacher will be next academic year! This information was sent on ParentMail and as a paper letter too. The children will have the opportunity to get to know their new Class Teacher on **Monday 3<sup>rd</sup> July**, which will be Transition Day. Pupils will begin the day in their current classrooms and then move to their new classroom and teacher later on. They should be collected from their new classroom – new classrooms will be labelled and staff will be on hand to guide you to find your child!

A reminder that next Friday, **30<sup>th</sup> June**, is an INSET Day, so school is closed to all pupils.

School continues to be busy and there have been lots of enriching activities happening around the school this week. The buzz and excitement in the school has been great.

Our school Choir has been invited to sing at BecketFest on Wednesday 12<sup>th</sup> July – letters for this will be sent from Choir on Monday. This event is open to anyone to attend from our school community, so please come along if you can. Contact the School Office at Thomas Becket Catholic School for tickets: 01604 493211.

We hope you have a wonderful weekend.

**Best wishes,**

**Miss Marum**

## Sharing the Flame...

Our Chaplain, Mrs Alves, has been leading our pupils in prayer encouraging them all to reflect on the mission that Jesus gave his disciples and, in turn, us to love him and to share the Good News. Pupils have considered how they can 'share the flame' of Jesus' love with others and wrote a message to tell them all about Jesus.

*'I feel close to God when I go to Church -time to specifically spend with him. I know he is with me when I pray.'* – Cian S

*'Jesus' love is unshakeable.'* – Sebastian

*'We should tell people about Jesus because he sacrificed himself to save us.'* – Orion

## Term Dates

### Pentecost Term

INSET Day: Friday 30<sup>th</sup> June 2023

Term ends: Friday 21<sup>st</sup> July 2023

Friday 27<sup>th</sup> October 2023**

Term starts: Monday 20<sup>th</sup> October 2023

INSET Day: Friday 24<sup>th</sup> November 2023

Term ends: Wednesday 20<sup>th</sup> December 2023

Find full term dates [here](#).

## Bubbles!

St Brigid Class have been making the most of the warmer weather in their outdoor area and have been perfecting their bubble making skills. This has promoted lots of talk in the setting about how to make the best (and biggest!) bubble! Lots of concentration has been shown!

## Smoothie Ratios

Year 6 have been consolidating their understanding of the concepts of ratio and measurement by making smoothies in their classroom this week. The most popular flavour was raspberry and orange, with everyone wanting an extra slice of watermelon at the end!

## Working Scientifically in St Claudine Class

St Claudine Class have been exploring the process of condensation in Science this week.

*'We conducted an experiment to help us investigate this important process. We poured warm water into a glass, wrapped cling film over the top and then placed an ice cube on top of the cling film. We observed how the warm water evaporated and observed the process of condensation occurring on the cooler clingfilm. Everyone thoroughly enjoyed this exciting experiment and now have a better understanding of how the process of condensation works.'* – Abigail and Chizi
