A Message from Miss Marum...

Dear Parents and Carers,

We seem to have experienced almost every type of weather this week! Please ensure your child arrives at school wearing the correct school uniform and also brings a named coat every day – we seem to be experiencing all four seasons each day at the moment!

Extra-Curricular Clubs have started this week and have proved very popular. Please ensure you collect your child promptly from the Main Entrance of the school. This includes all Year 6 pupils too.

It may seem like the academic year has only just started, but applications for Secondary School places for pupils who will be in Year 7 in September 2024 are open. It is really important that families of pupils in Year 6 make their application by **31st October 2023** so their application is considered in the first round of allocations.

Parents' Evening this term will be held on Tuesday 3rd and Wednesday 4th October. We will send information next week. Booking will be on MCAS. Please ensure you have the app downloaded.

We hope you have a wonderful weekend.

Best wishes,

Miss Marum

News from our Nursery

Our Nursery children have been exploring the numbers 1-5 through songs, rhyme and practical activities. They really enjoyed learning the song 'There were 5 in the bed...'

They acted the song and practised counting the objects.

We were really pleased to learn that one of our pupils, Elise, has had her artwork of Our Lady selected and it will be displayed at the Saxon Hall in Raunds as part of the diocesan Creative Spirit exhibition during half term. Well done, Elise!

What was life like in WWII Britain?

As part of their learning in History, St Catherine of Siena Class and St Oscar Romero Class have been working to decipher what it was like to live in WWII Britain. The pupils delved into a World War II evacuee's suitcase during their lesson this week. Their task was to explore, discuss and make deductions about the artefacts they found inside the case. In small groups, the pupils considered their findings and shared what they could deduce about life during this era.
