## ***A Message from Miss Marum...***

Dear Parents and Carers,

While there has certainly been a chill in the air this week, our school has been full of the joys of Spring with lots of bright smiles and enthusiasm for learning being shown across the school.

Our Extra-Curricular Clubs are all underway. Please ensure you have recorded the club's dismissal time correctly (found [here](#)) as we have had a few children collected late this week. Thank you to families who attended the Book Look on Wednesday – the children looked forward to you attending and enjoyed showing you the learning they have been completing in school.

We welcomed our Year 6 parents into school this afternoon to talk about the end of Key Stage Two assessments. We have a fantastic cohort of Year 6 children and it is important they remain focused as this term continues so they are able to achieve their best next term. Thank you to all those families who attended – we will send out the information shared by email. If you have any questions, please contact the Class Teacher in the first instance.

We hope you enjoy the weekend and look forward to seeing you next week!

**Best wishes,**

**Miss Marum**

### Sorting Rocks!

Year 3 worked together this week with their friends from the opposite class to begin to investigate their focus on rocks in Science. They were given a variety of rocks to look at and they were encouraged to make observations about each. Following this, each group had the task of sorting the rocks into different groups based on their properties. The children worked scientifically asking questions and making observations.

Later in the term, the children will be planning and carrying out experiments to compare different rocks.

### Young Voices...

It is close to the time for Young Voices – which is always eagerly anticipated every year by the Choir. Parents whose children are attending, please remember your child should wear full school uniform, including their jumper or cardigan and send them with a packed lunch and a packed tea on Tuesday.

### Rainbow Hampers

Thank you very much for your generosity this week for non-uniform day. The PTFA are glad of your donations to make up the famous rainbow hampers. Please keep your eyes peeled for the information about how to buy tickets for the hamper draw – it will be released soon!

### Book Look!

It was brilliant to see so many families at our Book Look earlier this week – it was possibly our best turnout yet! The children really enjoyed sharing their work with you!
