"Walking together in the Light of the Lord."

A Message from Miss Marum...

Dear Parents and Carers,

We have really enjoyed the beautiful weather over the last couple of days in school. The children have enjoyed playing outside at breaktimes and lunchtimes and the Adventure Playground has been very popular this week!

There has been some very impressive writing happening throughout the school. Well done to Zina, Tyler and Freya in Year 1 who have produced fantastic diary entries based on their class text 'Hummingbird'.

We marked the Feast of the Ascension yesterday by gathering together as a whole school, listening to the scripture and recognising that Jesus entrusted his mission of love to his disciples and that is now our mission today.

It is a busy week for our Year 6 pupils in particular next week. They, and the adults that work with them, have been working incredibly hard in preparation for their SATs next week. Remember to enjoy the sunshine this weekend, drink plenty of water and get to bed on time so you are ready to be the best you can be next week!

We hope you all have a wonderful weekend and look forward to seeing you on Monday!

**Best wishes,
Miss Marum**

Fraction Frenzy!

Year 4 have been learning to add and subtract fractions this week and have worked to really get to grips with the vocabulary associated with this. One piece of knowledge they should all be able to recall is that the denominator shows how many equal parts there are in the whole. Year 4 took advantage of the good weather and went outdoors to practise their skills. The children drew bars of equal parts with chalk and completed fraction sentences with great success in the sunshine!

Year 6 Breakfast Club

A reminder for our Year 6 pupils to attend their complimentary Breakfast Club next week which is running from Monday-Thursday.

Please arrive for 8.20am (via the Adventure Playground gate) and sign in there so you can enjoy breakfast with your friends. We look forward to seeing you!

Eco Steward Updates

Recently, there has been a Trust wide competition between all of the schools in our Lady Immaculate Catholic Academies Trust to design a new Eco Steward badge. We were pleased to take delivery of the badges today and look forward to giving these to our Eco Stewards in the coming days. They have lots of plans around healthy eating, so look out for this next half term!

Read all about it!

At St Gregory's we work to promote a love of reading in many ways. Year 1 are particularly enjoying taking turns to look after George, their class Reading Rabbit, at home for a week to practise their reading with him.

This week, we have enjoyed seeing photos of George at home with one of our pupils.

We will soon be launching our Lending Library. If you have any good quality children's books you can donate, we would be very pleased to receive them!
