"Walking together in the Light of the Lord."

A Message from Miss Marum...

Dear Parents and Carers,

What a wonderful week we have had! The children across the school have been brilliant this week supporting their Year 6 friends in so many different ways. Each child from Nursery to Year 5 created a 'Good Luck' message for the Year 6s. These have been displayed in the Year 6 Quad this week.

Next week, on Wednesday, we will be honouring Our Lady with a special May Procession. We invite all pupils to bring a flower to participate in the crowning of Mary in this month of May. On Thursday, our children will be exploring different countries across the world. This will also be a non-uniform day. Children are very welcome to wear their national dress to celebrate their own heritage.

This weekend, several of our children make their First Holy Communion in our local Parishes. This is such a beautiful occasion for the children and their families. We hope they enjoy their special day and continue to be filled with God's grace.

We hope you enjoy the weekend and look forward to seeing the children on Monday.

**Best wishes,
Miss Marum**

Half Term: Monday 28th October 2024-Friday 1st November 2024

Term starts: Monday 4th November 2024

Find full term dates [here](#).

OLICAT Badge Competition

Congratulations to these girls who have been recognised as Runners Up for St Gregory's in the recent Eco-Steward Badge competition that ran across Our Lady Immaculate Catholic Academies Trust. The winner of the competition came from St Thomas More Primary School, Kettering. Well done girls!

Well done Year 6!

Our Year 6 pupils have been absolutely brilliant this week remaining calm and focused as they tackled the challenge of SATs head on! They have arrived at school each day with smiles on their faces ready to work to their best ability. Well done to you all – we are so impressed!

This week in Year 5...

Our Year 5 pupils have been working together this week with Mr Tibbetts and Ms Johnson with some superb work produced. In English, some pupils have been working to write, edit and publish their own magazine to really good effect.

We've had magazines written about gaming, pets and music. The Year 5 pupils have also been studying Andy Goldsworthy this week – an artist well-known for his land art. They have taken advantage of the beautiful weather and created their own artwork using items they found in nature creating some stunning pieces.
