"Walking together in the Light of the Lord."

A Message from Miss Marum...

Dear Parents and Carers,

We've had a great start to our term and it was great to see so many of you at our Book Look yesterday; the children love to show you what they are doing in class. Thank you too for your support and encouragement of your children with their Learning Log tasks recently – their outcomes are so impressive!

StylesStars and Sporty Scholars clubs have got off to a good start this week: there's a few spaces left so if you're quick, you may be able to sign your child up directly on the providers' websites.

Thank you to all parents who park appropriately at arrival and dismissal times each day. There are lots of children and other vehicles, so please do take care. We are fortunate to be able to offer the 'drop off zone' for pupils in Reception and above in the mornings to alleviate traffic. At the end of the school day, parents must park off-site and walk into school – please keep mobile phones in pockets or bags!

There is a Praise and Worship night on Wednesday evening at St Thomas Becket Catholic School; so many of our pupils would enjoy this so do come if you can!

**Best wishes,
Miss Marum**

Prophecy and Promise

Year 3 are really enjoying their new RE curriculum: every class in our school is now following the new Religious Education Directory and there has been some impressive learning that has come from

this so far. As part of their learning for their new unit of work, 'Prophecy and Promise', Year 3 have been considering the experiences they have had attending Mass. They have explored the order of Mass using books and cards to support their learning. They also thought about the Sign of the Cross prayer that we pray each day and used their beautiful new mirror to double check they were making the Sign of the Cross over themselves in the correct order – well done everyone!

Fun with Fractions!

Year 6 have been honing their fractions skills: adding and subtracting them and multiplying and dividing them, as well as finding fractions of amounts.

This is vital knowledge for them to retain, so please

encourage your child to practise these skills at home so that their knowledge really sticks ready for SATs and beyond!

Beware of the Crocodile!

We've received some fantastic crocodiles made at home by Reception as part of their Learning Log homework in preparation for their new text in English: Beware of the Crocodile! In class, they have been practising their fine motor skills threading paper through their own crocodiles too!
