1. Context

Each pupil in our care has God given gifts and talents and by having high attendance levels pupils can develop their gifts and talents to the fullest. As Catholic schools our attendance policy is based on our catholic ethos and guiding principles. As such it has the purpose of reflecting our approach to being places of safety and love in which our children are supported to be the best they can be. We believe that a large aspect of that is reliant on fostering full attendance for all children. We understand the significant impact that absence from school has on children's educational attainment, social development and life chances and, as such, strive to make every effort to support children and parents in overcoming any barriers there may be to attending school in every session. It should be made clear that the fostering of belonging underpins our ethos and that attendance will be managed positively by ensuring that children and families feel loved and valued. They will receive positive messages about the contribution they have to make to the school and every effort will be made to ensure that our educational offer is attractive, engaging and inclusive and that children want to be in our school.

High levels of attendance to school are associated with benefits in the development of children:

- Safety and wellbeing and the access to the support of staff with these matters.
- Development of friendships with peers and supportive relationships with adults.
- Higher levels of achievement leading to access to further education, university, apprenticeships and careers.

To support high levels of attendance, school will ensure all pupils are welcomed and supported through our culture, policies, and practices. Leaders will ensure the School is a school where pupils want to attend. We will make reasonable adjustment for pupils with SEND or medical needs affecting attendance.

School values the opportunity to work in partnership with pupils, parents/carers with regards to attendance. School will seek the involvement of other agencies as appropriate to support pupils to have high levels of attendance.

2. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence

- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

3. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)

4. Roles and responsibilities

4.1 The Trust Board

The Trust Board has overall responsibility for:

- Ensuring the timely review of approval of the cross-trust attendance policy template
- Ensuring that this policy, as written, does not discriminate on any grounds, including, but not limited to, ethnicity/national origin, culture, religion, gender, disability or sexual orientation
- Recognising the importance of school attendance and promoting it across the trust ethos and policies

4.2 The central team

The central team of the trust is responsible for:

- Regularly collecting and analysing attendance data from all schools within the MAT to identify trends, patterns, and areas of concern.
- Develop and implementing draft attendance policies and procedures that align with national guidelines and best practices.
- Preparing and presenting attendance reports to the MAT board, highlighting key issues and progress towards attendance targets.
- Ensuring all schools within the MAT comply with statutory attendance requirements and internal policies.
- Continuously evaluating the effectiveness of attendance policies and interventions, making improvements as necessary.

These responsibilities help ensure that attendance is effectively monitored and managed, contributing to better educational outcomes for all students within the MAT

4.3 The governing board

The governing board is responsible for:

- Setting high expectations of all school leaders, staff, pupils and parents
- Making sure school leaders fulfil expectations and statutory duties, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Holding the headteacher to account for the implementation of this policy

4.4 The headteacher

The headteacher is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary, and/or authorising the Senior Attendance Champion to be able to do so

- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

4.5 The designated senior leader responsible for attendance

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Oversight, monitoring and evaluation of absence data and attendance data (see section 7)
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families
- Working with the Local Authority to tackle persistent absence

The designated senior leader responsible for attendance is Mrs Yuen

4.6 The attendance officer

The school attendance officer is responsible for:

- Running attendance reports
- Phoning home regarding attendance
- Sending attendance letters
- Organising meetings regarding attendance between parents and senior leaders
- Ensuring attendance registers are complete and absence codes are correct
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher
- Advising the Headteacher/Senior Attendance Champion when to issue fixed-penalty notices

The attendance officer is Mrs Annis

4.7 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1). Additional specific responsibilities will be managed by each school.

4.8 School office staff

School office staff will:

- Take calls from parents/carers and pupils about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers and pupils to senior staff where appropriate, in order to provide them with more detailed support on attendance

4.9 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every timetabled session on time
- Call the school to report their child's absence before 08:30am on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority

4.10 Pupils

Pupils are expected to:

- Attend every timetabled session
- Be punctual to school and be fully prepared for the school day
- Be punctual for every timetabled lesson
- Register with their tutor group each morning
- Inform their Form Tutor, Raising Standards Leader or Deputy Raising Standards Leader if there is a problem that may lead to absences
- Following a period of absence, speak to their class teacher to identify areas of the curriculum which have been missed

5. Strategies for promoting attendance

To encourage high attendance, our school offers a variety of incentives and rewards designed to motivate students and recognize their commitment. These incentives include certificates of achievement, Class awards and celebration assembly acknowledgements.

6. Supporting pupils who are absent or returning to school

6.1 Support for pupils returning to school

All pupils with an attendance issue will be supported. The school **expects as a minimum 96% attendance from all pupils** but are aware this may not always be possible due to extenuating circumstances or the need to overcome short- or long-term difficulties to achieve this target.

Reduced or non-attendance at school by a child or young person is often rooted in emotional, mental health or wellbeing issues. Non-attendance can include not attending entirely for prolonged periods or regularly missing whole days at school. It can also include:

- not going to their classroom

- not staying in class
- not attending some lessons
- avoiding some physical spaces or people.

In all of these instances the school will take a therapeutic approach to attendance and will work closely with the child and family to identify causes of absence and to put intervention in place to remove any barriers to attendance.

This may include strategies such as:

- Ensuring that all pupils have at least one adult at school who knows their strengths and concerns well - this is especially important at times of transition
- Building a school culture that recognises all emotional reactions as normal and helps pupils feel safe to express their emotions
- Supporting the child or young person in developing effective emotional regulation strategies
- Providing quiet or safe spaces for pupils to access if they are experiencing intense emotions
- Providing opportunities for pupils to contribute to decision-making in the school, helping them feel that their voices are valued and heard
- Working to reduce everyday stressors in the classroom for pupils who easily become overwhelmed
- Checking in regularly with pupils to see whether any agreed adaptations or strategies are working and useful and adjusting if not.
- Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority, and a multi-agency intervention will be facilitated to support an improvement in attendance.

6.2 Support for pupils with poor mental health

Our school is committed to supporting the attendance of pupils with mental health difficulties, including anxiety and depression. We recognize that these challenges can significantly impact a student's ability to attend school regularly. In response to this we:

- Create a supportive and inclusive school environment where students feel safe and understood.
- Provide training for staff to recognize signs of mental health issues and to respond appropriately. Sometimes this response may be to refer to external agencies with more expertise.
- Develop individual support plans in collaboration with parents and carers for students experiencing mental health difficulties. These plans may include flexible attendance arrangements, such as part-time schedules or gradual reintegration into the classroom, to accommodate the student's needs.
- Maintain open communication with families to monitor progress and adjust support as necessary.

6.3 Support for pupils with SEND

Students with Special Educational Needs and Disabilities (SEND) face unique challenges that can significantly impact their school attendance. Research indicates that children with SEND are more likely to experience higher rates of absenteeism due to factors such as health issues, lack of appropriate support, and increased social vulnerability. To address these challenges and close the national attendance gaps, our school adopts a holistic and inclusive approach. This includes:

- Developing individual education plans (IEPs) tailored to each student's needs,
- Providing access to specialised support services, and
- Ensuring that all staff are trained to recognize and respond to the specific requirements of SEND students.

In instances in which pupils identified with a SEND need are not meeting attendance requirements, their IEP will strive to address these barriers and provide adequate support to remove these barriers.

6.4 Support for pupils with long-term health issues which prevent attendance

As a Trust, we are committed to supporting all children to access the education we provide, including during periods of challenge or disruption. We recognise that some pupils may be unable to attend mainstream provision for a sustained period due to chronic physical or mental health needs.

In such cases, while we will continue to work in partnership with families and the Local Authority, we are not able to offer remote education directly. This reflects both operational limitations and statutory guidance.

Under Section 19 of the Education Act 1996, the Local Authority holds the duty to arrange suitable education for children of compulsory school age who, due to illness, exclusion, or other circumstances, would not otherwise receive appropriate provision. This includes ensuring access to suitable full-time education for children unable to attend school due to health-related needs.

Where this duty applies, we will liaise with parents and the Local Authority to support the identification and implementation of appropriate alternative provision. Our aim is to ensure continuity of learning and wellbeing, even when direct attendance at school is not possible

7. Attendance monitoring

Attendance is a school priority and is so closely linked with attainment and progress that the school has embedded systems to ensure it is systematically monitored. Attendance is tracked in real time and interventions for any unknown absence will be swift. Larger analysis of attendance data will be done, at least weekly through several different lenses to enable us to highlight any emerging trends relating to the attendance of a child, a group of children or absence linked with specific lessons, days or periods in the day.

7.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) regularly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request. The school has granted the DfE access to its management information system so that data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the governing board.

7.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

The school will

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis

- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families
- Provide regular attendance reports to staff to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant including the possible offer of an EHA.
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary

7.5 Children missing in Education

A child is considered "missing from education" when they are not registered at a school or receiving suitable education otherwise, such as through homeschooling, for a significant period. This can include prolonged unexplained absences or a failure to enrol in school at the appropriate age.

According to the statutory guidance on children missing education, we have several key responsibilities to ensure the safety and well-being of pupils.

1. We must maintain accurate and up-to-date attendance records for all pupils.
2. If a child is absent without explanation, we will contact the parent or carer on the first day of absence and continue to make every effort to locate the pupil. A home visit will take place, if contact is not made then the pupil will be registered as missing in education by day 10.
3. Any consecutive absence on or above 20 days will result in the school following s.19 Education Act 1996 process where the Local Authority will be responsible for arranging suitable full-time education for children of compulsory school age.
4. We will be continuously assessing the safeguarding risk associated with the absence and, if considered high, we will contact the police and/or social care.
5. We are also required to share information with local authorities and other relevant agencies to help identify and support children missing from education.

6. We also maintain a list of children 'at risk of CME' where additional specific provision is put in place in the case of an absence.

In some cases of extended consecutive days of unauthorised absence, in excess of 20 days, the school may remove a child from their roll into the care of the Local Authority. This will only occur if...

- The school do not have reasonable grounds to believe that the pupil is unable to attend because of sickness or an unavoidable cause
- The school and the local authority have jointly made reasonable efforts to find out the pupil's location and circumstances but have not succeeded or they have succeeded and they agree that there are no reasonable grounds to believe that the pupil will attend the school again, taking into account any reasonable steps they could take (either jointly or separately) to secure the pupil's attendance.

In these instances, the Local Authority will legally assume responsibility for the pupil's continued education. This collaborative approach ensures that children receive the necessary support to return to education and reduces the risk of harm or exploitation.

7.6 Attendance and safeguarding

Regular school attendance is a crucial safeguarding measure, serving as a vital protective factor for children. Poor attendance can be an early indicator of various safeguarding concerns, necessitating prompt and thorough investigation.

Legal Framework and Safeguarding Responsibilities

The school adheres to the following legislation and guidance with specific focus on safeguarding:

- Keeping Children Safe in Education (latest version)
- Working Together to Safeguard Children (latest version)
- Children Act 1989 and 2004

As per these documents, the school has specific safeguarding responsibilities related to attendance:

- Identify and respond to patterns of absence that may indicate wider safeguarding concerns
- Report children missing education (CME) to the local authority within agreed timescales
- Investigate unexplained absences promptly as a potential safeguarding issue
- Ensure robust procedures to identify and support pupils at risk of harm

In these instances, processes in the School Safeguarding Policy will apply.

8. Recording attendance

8.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry

- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 08:45am and ends at 3:15pm.

Pupils must arrive in school by 08:45am on each school day.

The register for the first session will be taken by 08:55 and will be kept open until 09:25am. The register for the second session will be taken at 1pm and will be kept open until 1.30pm.

8.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 08:30am or as soon as practically possible, by calling the school office, who can be contacted via **office@sg.nor.olicatschools.org** or by phone on **01604 403511**

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

8.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

8.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

8.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence (and subsequent days as it deems appropriate) to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact a range of agencies to ensure the safety of the pupil, including the local authority and the police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer or the EIPT team.
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with the school will escalate through punitive and legal measures including the issuing of notices to improve, issuing of penalty notices or any other legal intervention as is appropriate as outlined in section 9 (below).

8.6 Reporting to parents

The school will regularly inform parents and carers about their child's attendance and absence levels and will work with parents to ensure that attendance of pupils is high.

9. Authorised and unauthorised absence

9.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

'Exceptional circumstances for school absence' refer to rare, significant, and unavoidable events that justify a student's absence from school. These circumstances are typically one-off events that cannot be scheduled outside of school hours. Examples include the death of a close relative, attendance at a funeral, respite care for a child looked after by the Local Authority, or a housing crisis that prevents attendance. Schools assess each request individually, and the decision to authorize an absence under exceptional circumstances is at the discretion of the school principal or headteacher.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

Any request should be submitted in writing to the Headteacher as soon as it is anticipated and, where possible, at least 10 school days of notice before the absence. The headteacher will require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

9.3 Sanctions

Our school will work in conjunction with the local authority to make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

If you take your child out of school for an accumulative total of 5 days or more (10 sessions) (90%) over a period of 10 weeks, the school will deem this as *irregular attendance* and will consider a referral to the local authority for consideration of legal action.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

In severe cases of non-compliance with attendance expectations and/or lack of positive reaction to penalty notices the local authority may bring a prosecution under s444 (1) Education Act 1996, where if convicted you may be fined up to £1,000 or a prosecution under s444 (1) (a) Education Act 1996 where if convicted you may be fined up to £2,500 and/or 3 months' imprisonment.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the local authority in conjunction with the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

10. Processes relating to absence

The school absence process, informed by research from the Children's Commissioner and other recent studies, emphasises early intervention and a proactive, supportive approach. When a student begins to show signs of frequent absenteeism, the school will promptly contact parents or guardians to discuss the issue and understand any underlying causes. If absences continue, a formal letter will be sent home, followed by a meeting with parents to develop a tailored support plan.

10.1 Absence management process

Primary

Trigger	School Action	Communication for unauthorised absence	Communication for authorised sickness absence
Every day	Parent phone call by 8:30 to inform of absence		

	<p>Admin update registers between 8:30 – 9:00 with all parental messages</p> <p>By 9:00 all teachers registers have to be complete</p> <p>All children who are absent with no parental contact by 9:00am are subject to a phone call between 9:00 – 9:30</p> <p>If there is no contact – CME processes begin</p>		
Day 3 equivalent	As day 1 process above plus a letter sent home highlighting concerns with falling attendance.	Letter 1	
Day 6 equivalent	As day 1 process above plus a meeting with parents/carers with FSW in which barriers to attendance are ascertained and an EHA offered.	Letter 2 Letter 3 follows meeting	
Day 10 equivalent	As day 1 process above plus a meeting with parents is facilitated with IL in which an attendance contract is facilitated.	Letter 4 Letter 5 follows meeting Completed attendance contract	<p>Meeting with parents/carers to discuss absence and to offer support after a maximum of the equivalent of 10 days absence.</p> <p>Letter to follow the meeting outlining the agreed support.</p> <p>Ongoing monitoring of further absence</p>
Review after 6 weeks			
<p>If attendance is over 90% within the 6-week review period then there is no further escalation and process starts again as above.</p> <p>Letter 6</p>	<p>If attendance is below 90% within the 6-week review or if there is a significant period of absence which means 90% is now unattainable within that period then a further meeting is called in which parents are warned that there is likely to be a referral to EIPT and penalty notices instigated if there is no improvement.</p> <p>Letter 7</p>		
		Review after a further 4-week period	
<p>If attendance is over 90% for the 4-week review period above then no further escalation.</p>	<p>If attendance is below 90% within the 4-week review or if there is a significant period of absence which means 90% is now unattainable within that period then</p>		

Letter 8	a further meeting is called in which parents are informed that they have been referred to EIPT or equivalent and penalty notices instigated if there is no improvement.	
	Letter 9	
Graduated attendance letters sent to students with 90-100% every half term.		

Secondary

Trigger	School action	Communication for unauthorised absence	Communication for authorised absence
Universal support	<p>Following any session of absence all students receive support to inform them of their attendance expectations and support their regular attendance.</p> <p>For example: tutor discussions, breakfast club, home visits, first day responses, morning welcomes, return to school conversations.</p>		
Day 1	<p>Parents contact the school by 8:30am to inform of absence.</p> <p>By AM registration all registers will need to be complete including coding for missing children where the reason is known.</p> <p>All children who are absent following AM registration with no parental contact are contacted by 10:30am.</p> <p>If there is no contact CME process begins (see CME process grid).</p>	At the end of the day all absence results in an automated notification to parents/guardians.	
6 sessions	<p>Early intervention targeted support by tutor/pastoral staff based on timeframe of the absences.</p> <p>This could include:</p> <ul style="list-style-type: none"> - A meeting with the child. - Discussion with parent <p>Offer referral to external agencies (through EHA) if relevant</p>	<p>Initial concern letter sent</p> <p>Letter 1</p>	
10 sessions	<p>Formal conversation by identified member of staff either on the phone or in person depending on the timeframe of absence.</p> <p>Offer referral to external agencies (through EHA) if relevant</p>	<p>Escalating concern letter</p> <p>Letter 2</p>	<p>Meeting with parents/carers to discuss absence and to offer support after a maximum of the equivalent of 10 days absence.</p>

			Letter to follow the meeting outlining the agreed support. Ongoing monitoring of further absence
16 sessions	Meeting with all adults with parental responsibility for a formal meeting.	Further escalating concern letter Letter 3 Class charts actions recorded and shared following meeting	
22 sessions	Meeting with all adults with parental responsibility for a formal parental contract meeting.	Letter 4 following meeting	
4-week review			
	If attendance is over 95% within that review period there is no further escalation, however attendance will be closely monitored and if further concerns arise then further action will be taken as if this contact period was failed.	If attendance is under 95% for this review period or if it reaches a point in which 95% cannot be reached then the contract obligations will continue and we will refer to the local authority. LETTER 5	
Any consecutive absence on or above 20 days will result in the school following s.19 Education Act 1996 process where the Local Authority will be responsible for arranging suitable full-time education for children of compulsory school age.			
Referrals to the Local Authority for Statutory support in the event of continued low attendance when required. If our support system does not lead to an increase in attendance, we will seek further support from the LA. The LA will seek to identify formally the barriers to attendance and the support provided by the school. It is important to be aware that they may take further action if they feel absences were not for a statutory reason. Our school does not benefit financially from fixed penalty notices.			

11. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually. At every review, the policy will be approved by the full governing board.

12. Links with other policies

Several school policies are closely linked with the attendance policy, ensuring a comprehensive approach to student wellbeing and academic success. These include:

1. **Safeguarding and Child Protection Policy:** Ensures the safety and wellbeing of students, addressing any issues that might affect attendance.
2. **Behaviour Policy:** Outlines expectations for student conduct, which can influence attendance and engagement.

3. **Mental Health and Wellbeing Policy:** Provides support for students with mental health challenges, promoting regular attendance.
4. **Special Educational Needs and Disabilities (SEND) Policy:** Ensures that students with additional needs receive appropriate support to attend school regularly.
5. **Parental Engagement Policy:** Encourages active involvement of parents in their child's education, which can positively impact attendance.
6. **Anti-Bullying Policy:** Creates a safe and supportive school environment, reducing absenteeism due to bullying.
7. **Health and Safety Policy:** Ensures a safe school environment, which is essential for regular attendance.
8. **Homework Policy:** Supports academic engagement and reinforces the importance of regular school attendance.
9. **Exclusion Policy:** Manages exclusions in a way that minimizes disruption to a student's education and attendance.
