## ***A Message from Miss Marum...***

Dear Parents and Carers,

It's been another successful week in school, with plenty happening across the school giving children the opportunity to show their skills and develop and refine their knowledge and understanding of key concepts. Mrs Lucy, Mrs Netherwood and I have been visiting lots of lessons and it has been really clear to see the children's enthusiasm and enjoyment of their learning.

We have just one week left of this half term! School will close at the end of the school day on Friday 24<sup>th</sup> October (clubs are still running) and we will welcome children back to school on Monday 3<sup>rd</sup> November.

With half term approaching, you may like to book in to local activity camps for your child. More information about the offering from local providers is shown at the bottom of the newsletter.

We hope you have an enjoyable weekend!

**Best wishes,  
Miss Marum**

### Litter Wombles

We welcomed Kevin from the Northampton Litter Wombles to school on Wednesday who gave some excellent information and staggering statistics to all our pupils from Reception to Year 6.

*'It's really important to be careful about our litter, making sure not to drop anything, but to take it home. That was the main message I took away with me.'* – Daniel

*'Kevin taught us to be mindful about our litter when we are out and about.'* - Sophia

*'In our next Eco-Steward Lead meeting we can share what we learned and hopefully other schools will meet Kevin too.'* - Niamh

### School Photos

Our Individual and Sibling photos will be taken on Wednesday 22<sup>nd</sup> October.

Please ensure **all children** (including Reception and Year 6 who usually have PE on Wednesdays) are wearing full school uniform – reminders for this can be found [here](#).

Year 6 should bring their trainers/plimsolls to school in their bag ready for their PE lesson.

### Extra-Curricular Clubs

There are only a few places left for our new clubs led by [Sporty Scholars](#) and [StylesStars](#) next term. Please remember to book your child on!

Parent voice from our recent survey shows us that parents would like more clubs that span a wider age range; both of these clubs run for Year 1-Year 6. We have made sure waiting lists will be in operation for these clubs; these will be helpful for us to gauge interest in these clubs and help us to plan for the future too.

### Big Wide World

Our children in Reception have been learning all about the amazing world around them. In lessons, they have been exploring different countries, their environments and cultures and also learning about which animals live there. The children have had a go at each making an animal mask and have used different resources and stimuli to support talk in the classroom about the characteristics and habitats of different animals noting the similarities and differences between them. Many of the children have really risen to the challenge of extending their responses giving reason for their thoughts and ideas.
